Austin Water Utility's Wildland Conservation Division prescribed burn

The Austin Water Utility's Wildland Conservation Division plans to conduct a prescribed burn at the Slaughter Creek Management Unit on Friday, February 22. This burn will cover 70 acres and should take approximately five to six hours to complete. This prescribed burn operation will be managed by the Austin Water Utility's Wildland Conservation Division and conducted in cooperation with the Austin Fire Department, U.S. Fish and Wildlife Service, the Emergency Service District 3 and other local emergency service districts. For more information, please visit www.austintexas.gov/rxfire.
